PROFILE SUMMARY

Equipped with skills in software development and UI/UX design, I specialize in creating web and mobile applications. I am a valuable team player who works under pressure, handling challenges with creativity and commitment to professional growth. With strong communication and critical thinking skills, I am eager to share and learn from my experiences. I approach my professional journey with a passion for creativity and a dedication to excellence, ready to take every opportunity that comes my way.

VOLUNTEER EXPERIENCE

Geekulcha Student Society TUT, Marketing Coordinator

Jan 2024 – Jun 2024

- I specialize in creating engaging content, designing eye-catching posters, and managing social media accounts to promote tech events to students. My expertise lies in crafting visuals that capture attention and inspire students to become invested in technology and upskilled my leadership skills.

TUT Residence Committee, Academic Officer

Nov 2023 – Jun 2024

- I ensure that all students in my residence receive the support they need to succeed academically. I work closely with residence mentors to help students who are struggling with their studies, making sure that no one is left behind. I offer continuous support to help students overcome their academic challenges.
